

How to use the FSSC 22000 logo

DATE : November 2015

NUMBER : 20451001

The use of the FSSC 22000 logo represents achievement of the highest standard. To maintain this, its use and copyright is controlled by the Foundation FSSC 22000.

Use of the FSSC logo by Certified Organizations

1. FSSC 22000 certified organizations may use the FSSC 22000 logo, but only in conjunction with the mark of its certification body.
2. The FSSC logo may be used on the organization's printed matter, literature, business cards, website and promotional material subject to the design specifications below.
3. The FSSC 22000 logo may **not** be used either on a product, its labeling or its packaging, or in any other misleading manner, so as to suggest that the certification body has certified or approved any product, process or service of a certified organization.
4. Mentioning possession of a FSSC 22000 certificate or making any reference such as "Produced in a FSSC 22000 certified company" on a product label is **not** allowed.
5. The certification body will audit the use of the FSSC 22000 logo by certified organizations during every surveillance and re-certification audit. Any non-conformance associated with the use of the logo will require remedial action to correct the use of the logo as well as corrective action for future use.

Use of the FSSC Logo by Certification bodies

1. A certification body may use the FSSC 22000 logo once they have entered into a license agreement with the Foundation. This may be a provisional license, when the certification body is not yet accredited, or a permanent license after the certification body has gained their FSSC 22000 accreditation.
2. The FSSC 22000 logo may be used by a certification body, but only in conjunction with its own certification symbol on its certificates, printed matter, literature, business cards, website and promotional material associated with its certification activities, subject to the design specifications below.
3. The use of the FSSC 22000 logo will be audited by the accreditation body during each surveillance and re-accreditation audit. Any non-conformance associated with the use of the logo will require remedial action to correct the use of the logo on issued documents as well as corrective action for future use.

Design

1. The FSSC 22000 logo must be reproduced in the specified colors and in a size that makes all features of the logo clearly distinguishable.
Color specifications:
Green: Pantone 348 U: CMYK = 82/25/76/7, RGB = 32/132/85, #218455
Grey: 60% black: CMYK = 0/0/0/60, RGB = 135/135/135, #87888a
2. Use of the logo in black and white is permitted when all other text and images are in black and white.
3. When used by the licensed certification body or by the certified organization, the size of the FSSC 22000 logo must not differ from the size of the certification bodies' mark and they must always appear together.

Closing remarks

1. If necessary, the FSSC 22000 Board of Stakeholders can review additional requests with regard to the use of the FSSC 22000 logo. Such requirements will be made part of the agreement with the certification body and the certification body will immediately be subject to such requirements.
2. The logo can be obtained through the secretariat of the Foundation via info@fssc22000.com
